RALLY OVERVIEW

Back by popular demand! Come camp with us on the shore at Carter Lake! Three miles long and about one mile wide, this beautiful 1,100-acre reservoir is surrounded by 1,000 acres of public lands. It's a great place for fishing, sailing, water skiing, camping, hiking, mountain biking, swimming, scuba diving, and rock climbing.

We have reserved most of the South Shore Campground (24 sites) at Carter Lake. Our sites are electric only; water is available to replenish your supply. There is a dump station at the south end of the lake.

Last year, our campers went for a hike, rented a pontoon boat, enjoyed fishing and went to dinner & dancing at a nearby restaurant. There's much to be enjoyed at Carter Lake!

RALLY ACTIVITIES & FOOD PLAN

We will gather for Happy Hour at 4:30 p.m. each afternoon in the Pavilion. Bring your chairs, beverage of choice, and an appetizer to share.

A community grill will be available each evening for your use. Saturday is our traditional potluck. Bring your meat/veggies to the community grill and bring a side dish or dessert to share.

On Saturday, we will have a presentation by one of the Carter Lake Interpretative Park Rangers. Also, bring your kayaks or canoes ~ we camp right near the boat ramp.

Breakfast is on your own, but we will put griddles on the community grill each morning. Come over for a cup of coffee, bring your breakfast items of choice and cook your breakfast on the griddles while chatting with fellow campers. As always, please bring your own utensils and plates.

RALLY FEE AND CAMPSITE RATES

The fee for the three nights of camping is \$100. We are not charging a rally fee given no meals are provided. There is an entrance fee of \$7.00 per vehicle per day that you will pay when you arrive at the park.

We are limited to 24 sites so please register early. This rally sold out last year! Once our limited spaces are filled, we will start a waitlist to backfill last minute cancellations.
