#### **JUST CAMPIN' OVERVIEW**

**In addition to the regular scheduled rally, Susan Cadice and Linda Seitz are offering a pre-rally Just Campin' event at the Steamboat Springs KOA, geared towards "Quilters/Sewists/Hobbyists of any kind" and will be located adjacent to the beautiful Yampa River (can you say fly fishing?) We will have electricity for your sewing machines. All crafters are welcome as well as anyone who just wants to come early and hang out. The pre-rally portion will be very informal so that participants can enjoy doing what they love to do and share with others in a beautiful setting.**

**There is NO Fee for this pre-rally event, but you DO need to reserve your campsite directly with the Steamboat Springs KOA 970-879-0273, and ALSO register using the JotForm titled Steamboat Springs Just Campin' Event. Twenty (20) sites are being held for this pre-rally event.**

**NOTE – If you plan to attend \*both\* the Just Campin' event and the main Rally you must reserve sites for both events.**

## **CAMPSITE**
